Description: The Second Injury Fund, originally created in 1943, provides workers' compensation benefits for death; disability; physical rehabilitation; second job wage loss and medical bills. Pursuant to SB 1 & 130 effective January 1, 2014 a supplemental rate of up to 3% may be assessed for calendar years 2014-2021. Division of Employment Security - Administration - Section 7.880

Page 164

<p>Description: The Division of Employment Security is responsible for providing partial protection against loss of wages for workers who become unemployed through no fault of their own. The states are responsible for operating their own unemployment benefit programs, while the federal government finances the cost of administration. Programs in this section include Unemployment Insurance Benefits, Employer Contributions, and Unemployment Insurance Appeals. As a part of the unemployment insurance program, the division’s contributions staff collects the state unemployment insurance tax and wage item data regarding the amount of wages paid to each individual reportable worker. The funds included in this appropriation also finance the administrative cost of running various related federal programs such as Disaster Unemployment Assistance (DUA) and Trade Adjustment Assistance (TAA).</p> <p>Legal Base: State Statute Chapter 288 RSMo</p> <p>Funding Source: Federal – Unemployment Compensation Administration and Unemployment Automation Fund</p>
